

KWTrack3/Reggae/StationCleanUp:

We've Had Some Time At Free Play  
Our Bodies Moving On The Floor  
Imaginations Work That Way  
We Wish That We Could Play Some More

But Free Play Time Is Almost Done  
So Listen Up For Clean Up Fun  
You'll Hear When It's Your Turn To Start  
Then With A Friend You'll Do Your Part

Say GoodBye To All The Noise  
And Listen To Your Teacher's Voice  
She'll Announce Each Free-Play Station  
And Who Helps At That Location

FROM HERE TO END REPEAT X 5

Which Toys Go Next? You'd like To Know  
So Let's Ask Out Loud  
Let's Ask Which Toys Will Get To Go  
Sit On Shelves So Proud

"Teacher Teacher Call A Space  
That Can Join The Clean Up Race!"

[Teacher Calls Out Station Name]

Now Let's Ask Who Gets To Share  
In Clean Up Fun That Goes On There  
"Who Will Help You? Let's Find Out  
The Children You Can't Do Without!"

[Teacher calls out student's names]

Now That You Have Heard Your Names  
Please Come Join Our Clean Up Game

Find A Partner  
Some one New  
You Nod To Me  
I Nod To you

I Pick Something You Pick Too  
Then We Stop And Trade

We Put Away What's In Our Hands  
Tucked All In So That It Stays
