

KWTrack4/AfricanTraditional/fromTableClean-Up to carpet:

We've Been Sitting At The Tables  
With Food Or Other Stuff  
Garbage Doesn't Have A Label  
Knowing Which Is Yours Is Tough

So We Pick Up What We Can Reach  
Even If It Isn't Ours  
Like The Street, Park And Beach  
Tables Don't Take Clean Up Showers

After Picking Up Around Me  
I Will Sit Back In My Seat And  
Watch The Teacher Until I See  
The Time Has Come For Me To Stand

REPEAT FROM HERE TO ENDX 5

When I Hear Cabasa's Playing  
I'll Stop Anything I'm Saying  
To Listen To My Teacher Say  
Whom She's Calling Next Today

[Cabasas Play]

[Teacher calls up children's names]

I Just Heard My name  
That Means That It's My Turn  
Before My Free Play Game  
To Clean Up Like I Learned

Now I'll Get Up Out Of My Seat  
And Walk To The Garbage Can  
I'll Make Space For Those I Meet  
Sticking With The CleanUp Plan

From The Trash I Go To Carpet  
Where I'll See The FreeChoice I Get  
When I Raise My Hand And Wait  
With Legs Criss-Crossed And Body Straight
