

KWTrack9/jazz/fromRestToTables:

Dreamy Sleep Or Quiet Rest
Snuggled Up Like Birds In Nests
Our Minds Could Wander All Around
Our Bodies Barely Made A Sound

Now We Wonder what We'll Do
To Get Back In The Groove
Maybe We'll Learn Some thing New
Or Snack For Energy To Move

There Is One Clue In Front Of Us
The Tables Have Been All Set Up
I See A Spot I Want To Get
But Wait I Can't Run Up Just Yet

Is It My Turn? I Don't Know
The Teacher Hasn't Said
She's Watching To See Who Will Show
They're Ready To Get Out Of Bed

I Will Show Her That I'm Ready
And Waiting To Hear My Name
Even If My Friends Are Giggly
I'll Be Quiet Just The Same

REPEAT FROM HERE TO END X 6

When I Hear The Spring Drum Sound
I'll Know The Time Has Come Around
To Be Called Up And Find Our Spots
When It's Our Turn To Leave Our Cots

When I Hear The Spring Drum Sound
I'll Know The Time Has Come Around
To Listen To My Teacher Say
Whom She's Calling Next Today

[Spring drum Plays]
[Teacher calls out names of children]
